28 - 29 September 2027 - and upon request

### **VISION.Bach**

with choir and orchestra of the Gaechinger Cantorey // Hans-Christoph Rademann, conductor

As part of the ambitious project titled "VISION.BACH", Academy Director Hans-Christoph Rademann and his Gaechinger Cantorey dedicate themselves to the unique cantata cosmos of Johann Sebastian Bach. During the 2023/24 season, the complete first Leipzig cantata cycle was performed in 23 concerts in chronological order—exactly 300 years after its original performances in Leipzig in 1723/24. The result can be heard on 20 CDs released by the Hänssler label – outstanding recordings that have received major accolades such as the OPUS KLASSIK 2024 and wide international recognition. Yet the journey continues: between 2025 and 2027, the recording project will be extended with Bach's cantatas from the third Leipzig cycle (1725-27).
